The courses have received wide acclaim from beginning students all the way to mainstream clergy. All of these courses were written using the King James version of the Bible. Each course comes complete. A [certificate of completion](#) is granted after finishing each course. The certificate is 8 1/2 x 11 inches, printed on parchment type paper, bears the gold seal and ribbons of the ministry and has your name custom imprinted in color using Old English style lettering. We are truly proud to offer these fine courses. These courses are easy to complete, and use multiple choice and true/false type questions. ## What do people say about our Bible study courses?

I was ordained by you in 1987 and have been blessed with a wonderful ministry that takes me to many nondenominational churches as a guest speaker. But what I am writing you today about is to thank you for the wonderful Bible study courses you offer. They have blessed me greatly with a deeper understanding of the Bible

*Rev. Davis of Oklahoma*

**The Bible study courses and the services that World Christianity Ministries provide to ministries, churches and students of the Holy Bible, are exceptional**

*P. Catchings, Chancellor - World Institute of Theology*

Enclosed is my answer sheet for the New Testament Bible Course. I followed the suggested study plan by reading each chapter before answering the test questions. I must say that I totally enjoyed the course, and found the questions to be very thought provoking and an aide in focusing on one or more of the more significant verses of that specific chapter of the Bible.

I would like to mention that I was raised in a Full Gospel church that had our entire family reading the Bible since we were very young children. During my 20's I also served as a Sunday school teacher and then as Sunday School Superintendent. During later years in my life, I served as District Director of Lay Ministry for the Southwest Conference of the United Methodist Church, a ministry that I totally enjoyed. So you see, I am not a stranger to the inspired Word of God, which we call the Holy Bible. Yet, I still truly enjoyed and learned from your New Testament Bible Study Course, and I am sincerely looking forward to the next study course. I am convinced that anyone, regardless of their level of prior study, will benefit richly from your study courses. I believe that God uses each and every spiritual Bible study time to enlighten us and prepare us for His mission field.

*Minister Belzung of Texas*

I have been involved with the work of the Lord since 1975 and have taken many Bible study courses along the way. I believe your courses are the best that I have seen.

*Rev. Thompson of Missouri*

I found your Old Testament Bible study course to be among the best that I've ever done.

*Rev. Sanborn of Wisconsin*

Just a note to let you know how much I liked the New Testament course. It was a real help in both knowledge and spiritual growth. Your questions hit on important doctrinal issues and were totally unbiased.

*Rev. McKay of Idaho*

I enjoyed your courses so much because they constantly have me reading important parts of the Bible for answers to the simple questions you ask. I never realized I could learn so much from courses that are so easy to complete. But learn I have. When I have found the answer to the questions I still want to keep reading. This is because the passages your questions led me to constantly stimulate me and make me want to read more.
